# CSR Policy

Corporate social responsibility (CSR) has been the cornerstone of success right from the inception of Sharnam Legal. Our aim is to reach the people and help enrich the quality of life of the community and preserve ecological balance and heritage through a strong environment conscience.

Through our CSR initiatives we work to reinforce the core values Concern, Innovation and Trust. We work beyond financial considerations and put in that little extra to ensure that we are perceived not just as corporate behemoths that exist for profits, but as wholesome entities created for the good of the society and for improving the quality of life of the communities we serve. It has not lost sight of its responsibilities as a change agent for accelerating the pace of social and economic transformation across society.

As a constructive partner in the communities in which it operates, Sharnam Legal. has been taking concrete action to realize its social responsibility objectives, thereby building value for its customers. The entity respects human rights, values its employees. Sharnam Legal has supported innumerable social and community initiatives in India supporting environmental and socio- cultural programs.

# CSR Policy

We at Sharnam Legal are committed to our society and the environment and we strive to become responsible corporate citizens of the country. Over the years we have been involved in various developmental and donation activities.

Our commitment to good governance, ethical conduct and social responsibility is core to our way of doing business and is strongly aligned with our drive to create and increase value for all stakeholders.

Come, lets join hands and walk forward together to make this Earth a beautiful living place.

- Steps towards education of underprivileged children
- Financial donation to support economically backward families
- Supporting physically challenged citizens
- Supporting adolescent health & education

Thank you !

*We expect everyone who works at Sharnam Legal to behave in accordance with the principles contained in the Code of Conduct. If you do not understand the principles contained within the Code, or are not sure how to apply them, you should consult with an appropriately qualified colleague to get your questions answered.*
